

Overall market capitalisation for Asian REITs has grown from nothing to over US\$80 billion in the past six years!

REIT REVIEW ASIA 2008

2 Day Conference | 22 - 23 January 2008

Pre & Post Conference Masterclasses | 21 January & 24 January 2008 Singapore

Reconstruct your portfolio by investing in Asia's REIT market

Key Highlights:

- Investors' views on the opportunities in the Asian real estate market
- Examining changing industry trends over the past year
- Addressing current market problems and interests
- Sources of capital for Asian real estate
- Evaluating the ramifications of the rise in European and US based investments
- How do investors balance Asian real estate within their overall portfolio and how do they see the Asian market developing

Featuring Two Masterclasses

A: Mastering the Mechanics of REITs

B: Legal, Tax and Regulatory Issues Relating to Cross Border Transactions
